Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded prescription
relieves my symptoms and makes it
possible for me to live normally through-
out the month. My compounded medication
alleviates symptoms that were previously
debilitating such as depression, night sweats
and anxiety. I object to the definition of inordinate
amt. contained in the m.o.u. The limitation would
compremise my quality of life by restricting my
ability to obtain medication my Dr. has prescribed
and that I need. The services specialty Pharmacies
provide for me & my Dr. are not available from com-
mercial pharmaceutical manufactures, not most
local pharmacies.

Sincerely,
Mrs. Hazel A. Hanson
